I just left a message with you. The purpose of my call was to ask if we could set up another meeting with you, Linda Hoist (and whoever else you think appropriate) to touch base again on the PolyMet project? Since Chris left, we are thinking it may be good idea to introduce ourselves to the new head of the division, give you an update on where things stand with PCA in Minnesota from our perspective etc. Likely it will be Brad Moore and I from our side again.

Thanks as always for your attention to these matters.
